For your one page explanation/reflection, you can talk about why you chose the poem/song, what about that poem/song inspires you, and/or reflect on any interesting facts you found and how those might tie into the poet's/songwriter's inspiration. If you wanted, you could even do a modified TPCASTT of the poem/song.

Then, you reflect on the artwork you created. Why did you use that kind of paint/clay/material? What inspired you to create your artwork that way? etc.
